Unit-II

2. (a) Read the following passage carefully and answer the questions given below. 5

Education is a complicated process. Not only teachers, but so many other agencies also play Important role In

(3)

educating the young boys and girls. We are all aware of the influence of the cinema on the immature mind of children. How quickly they imitate the ways of dressing, walking and talking of their favourite stars. The television too has gained popularity and is not behind in placing its impact on children. Various other public activities like elections and meeting of political parties also go a long way in forming the mental and moral standards. Thus in present times teacher is not the sole agency of education. Besides, education is not free from the trend of communication at every stage.

Questions:

- (i) Why is education a complicated process?
